## December 2025 Months Supply of Inv.

### Duck, North Carolina

Single Family + Condo/Townhouse/Apt.

This graphic summarizes key statistics that describe the given month's inventory level and the percentage change in the last month and year.

Months of inventory is the number of months it will take a market to absorb the inventory that's available at the end of the month, based on the number of properties that typically go into pending each month. RPR calculates months of inventory by dividing the count of listings that were active on the last day of the month by a rolling 12-month average of newly pending listings.
