

DARE  
EDUCATION  
FOUNDATION

## How can you support local schools, teachers, and students?

- Make an individual one time contribution or, better yet, become a monthly sustainer. You can do this on Facebook or our webpage.
- Volunteer on one of our committees. One option is the Outreach Committee, which I chair. We would welcome Realtor voices. You can also opt to become a Board member. We have a two 3-year term limit so our board is constantly refreshing itself. Contact me for more info.
- Contribute an item, an activity, a service, or a rental to the silent auction which will be part of our 20<sup>th</sup> anniversary celebration in November.
- Develop a company-wide program like Twiddy's or Coldwell Banker's.

*Revenue from our affordable housing program covers our administrative costs, allowing 100% of what you give to go directly to students, educators, and schools in Dare County.*
